MEMORANDUM FOR THE RECORD

SUBJECT: Discussions with Bert Lance  
29 April 1977

1. Fantastic memory.
2. Operates so that only he has the total picture and he always has a complete picture before him.
  - a. Always sets goals and has a plan to get to them.
3. Wants people who:
  - a. Will do what's right.
  - b. Simply can be expected to play their part.
4. Tutorial/conceptual thinking is better done at moments of leisure. Is normally action-oriented. Suggests an evening session for tutorial type materials.
5. Makes up his mind quickly and then gets committed to a set of figures.
  - a. Often doesn't really understand in depth the implications of the figures, but you may have to live with them.
